C Tough question! ZombieGuy's friend's story. Choose the best word

They (eat, eats, drink) meat everyday. They (drink, drinks, eat) water in the morning and (they, he, she) drink milk for lunch. They (sees, watches, fight) monsters in the afternoon. At night, they watch (eat, play, TV) and (zombie, he, they) hunt people all night. They (go, goes, sleep) to bed at 6AM.
